

**Wonderfruit Açaí®** is a line of premium, fresh frozen packs of authentic Amazon açai. Made with wild-grown açai berries from the depths of the Amazon rainforest, Wonderfruit Açaí® is absolutely delicious and loaded with free radical-fighting antioxidants, heart-healthy omegas 6 & 9 and dietary fiber! Freshly made, and without using any additives at all, we freeze Wonderfruit Açaí® and ship it straight from its Amazon heartland to your freezer so you can enjoy the authentic flavor and amazing nutrition of real Amazon açai.

**Wonderfruit Açaí®** offers you four fantastic choices.

**Wonderfruit Açaí® Real Pure** is just that: 100% pure Amazon açai. It contains no additives whatsoever, especially no citric acid, so it retains the mild, creamy texture and characteristic taste of authentic açai: A subtle, but rich, bouquet of chocolaty flavors with fruity overtones that will mesmerize your senses. Naturally free of caffeine and sugars, use it to make awesome smoothies or to prepare yourself a bowl of pure açai - just like they have it in the Amazon!

**Wonderfruit Açaí® Energy Blend** is our Real Pure Açai with an extra boost of caffeine-free energy from Ginseng & Ginkgo Biloba extracts. Use it to make amazing smoothies or enjoy it straight out of the pack: we sweetened it with a touch of organic cane sugar so all you have to do is to let the pack thaw to your preferred consistency and start munching!

**Wonderfruit Açaí® Immunity Blend** is our Real Pure Açai with a monster dose of natural Vitamin C from Acerola, the amazing Amazon Cherry that packs 30 times the Vitamin C of oranges. Use it to make incredible smoothies or have it straight out of the pack - we sweetened it with a little organic cane sugar so all you have to do is to let the pack thaw to your favorite consistency and enjoy!

**Wonderfruit Açaí® Protein Blend** is our Real Pure Açai with an added boost from non-GMO soy protein isolate. Use it to make power-packed smoothies or enjoy it straight out of the pack - we sweetened it with a tad of organic cane sugar so all you have to do is to let the pack thaw to your preferred consistency and go for it!
